Featured Artist

You will research Photographers in history and select one to post as a featured artist on your Weebly Homepage. You will create a gallery of their work and include a Bio about the artist, along with the reason you chose the photographer. Use the following sources to find a photographer:

http://famous-photographers.com/

http://www.professionalphotographer.co.uk/News-and-Reviews/2012/3/19-most-influential-female-photographers-of-all-time

http://flyeschool.com/photographers

1. Post the following information: one paragraph

Brief History of Photographer: Date of Birth, residence, school and work history, life experiences, etc. Did the artist lead an Interesting life? Was the photographer famous or did they work with celebrities?

Brief Description of Photographic Style: Inspirations, Subjects used, format - Film/Digital, Locations, Personal voice, etc.

Photography Achievements: What made this photographer successful?

Personal Interest: Why did you choose this artist? Did you have a connection with the content? Were the photographs inspirational? Was the content or photographer culturally relevant? Did the photographer have an impact on society and the world of art?

2. Create a Gallery Post: 10 -20 images

Find **10 – 20** school appropriate photographs from your artist. If available, please caption the name of the photograph and the date the image was created.
